THE CEREMONY

At Venachar Lochside, we offer an array of picturesque ceremony locations, each boasting breathtaking views of the loch. With exclusive access, you have the freedom to choose your ideal spot within the venue or its surrounding grounds for your special day.

Many couples prefer to exchange vows in one of our outdoor spaces, such as the deck or lawn, when the weather is clear and sunny. Alternatively, our ground-floor reception area features a stunning 180-degree glass facade, offering an unobstructed view of the loch. This versatile space can accommodate up to 100 guests and can be arranged to suit your desired layout.

Our ceremonies come in many forms, and we love seeing the variety of styles couples choose. Our ceremony spaces are naturally beautiful, so even without additional decorations, they provide a stunning setting. Our team will be on-site from early morning to ensure your ceremony space looks perfect for your special day.

DRINKS RECEPTION

An opportunity to take it all in

Immediately after the ceremony, the space will be cleared to allow the drinks reception to begin. The decking will be fully set up with seating, providing the perfect spot for guests to enjoy their drinks with stunning views. The lawn will also be available for guests to explore. Inside, the downstairs area will be arranged with standing space, chairs and tables, ensuring a comfortable atmosphere for everyone.

Should you choose the Perfect Pair package, we'll provide a delightful selection of canapés served by our staff, ensuring all guests get a taste.
This package also includes a choice of prosecco or beer for all guests. A dedicated prosecco and beer station will be ready and waiting as soon as the ceremony concludes, allowing everyone to celebrate right away.

O&E

At our venue, we are committed to providing our wedding couples and their guests with the finest culinary experiences that Scotland has to offer.

Each dish served is meticulously crafted to not only tantalize the taste buds but also to be visually stunning. Our carefully selected team of caterers and chefs have designed an exquisite array of delectable menu options for you to choose from, ensuring a truly memorable dining experience on your special day.

LOVE AT FIRST BITE...

"The food was absolutely amazing, cooked to perfection and they catered to all special diets.

Everyone raved about the quality of the food and one of the things people always remember about at weddings is the meal.

Our guests also mentioned how hard working and helpful the staff were, they went above and beyond to get whatever we all needed

Thank you for such an amazing day"

PARTY TIME

After the meal

We host a wide variety of weddings, with each couple choosing to spend the latter part of their day in their own unique way. Some prefer a lively celebration with DJs, live bands, cocktail bars, and dancing, while others opt for a more relaxed atmosphere with cozy seating areas, engaging activities, and plenty of space for guests to mingle.
The best part? Venachar Lochside can be tailored to suit any style—whether you're planning an energetic party, a laid-back gathering, or something in between.

We offer a versatile downstairs space that can accommodate a dance floor and a band or DJ setup. For those who prefer a more personal touch, we also have a large sound system available, allowing you to create your own playlist.
Additionally, we can set up tables and chairs alongside the dance floor, providing your guests with the flexibility to relax and chat or get up and dance whenever they choose.

Of course, the bar will be open all night until 12 AM, staffed by our fully trained and efficient team to ensure excellent service throughout the evening.
